INSTITUTIONAL SOCIAL RESPONSIBILITY CELL
REPORT ON SURGICAL STRIKE DAY

The Institutional Social Responsibility(ISR) Cell of AVIT along with NSS unit organised "Surgical Strike day" on 29th September 2018 as per the direction of MHRD to mark the second anniversary of the Indian Army's strike at terror pods across the Line of Control (LoC) in Pakistan-occupied Kashmir.

The main objective of celebrating this day by our ISR cell is to encourage students to remember the sacrifices made by our armed forces. Captain Venkatesan who has served under artillery corps in Military for more than 3 decades was invited us the special guest. Dr.S.P.Sangeetha, Program Director, ISR welcomed the gathering. Dr.P.Shankar, Principal and Exceutive Director of AVIT gave the presidential address. Professor. Surendra Babu, NSS officer (Men wing) introduced the guest. Special invitee, Captain Venkatesan shared his experiences in the border with the students and also explained the students about the importance of celebrating surgical strike day. Best NSS volunteer awards were distributed to the NSS students during the event. Students were asked to speak about action plans of surgical strike. The students and faculty of AVIT attended the program. Finally an oath was taken by the participants to illustrate the importance of serving our Nation. Dr.PrabaSheela,NSS officer(Women wing) delivered the vote of thanks.
