Vinayaka Mission Students Complete Fall 2026 Semester Abroad Programme at INTI International University, Malaysia

Vinayaka Mission's Research Foundation (Deemed to be University) successfully facilitated the **Fall 2026 Short Semester Abroad Programme at INTI International University, Malaysia**, providing students with an opportunity to experience an international academic environment and engage with a multicultural learning community.

A total of **6 students** from different institutions under Vinayaka Mission participated in the programme:

- **3 students** – B.E. Computer Science and Engineering, AVIT, Chennai
- **2 students** – MBA, Ganesan Business School, Chennai
- **1 student** – B.Tech Biotechnology, VMKV Engineering, Salem

The programme provided students with firsthand exposure to an international university setting, opportunities to interact with students from diverse cultural backgrounds, and an experience of studying and living in Malaysia. INTI's Student Mobility Programme is designed to promote academic, cultural and extracurricular engagement while enabling students to broaden their perspectives through international exposure.

During their mobility experience, the students had the opportunity to become part of the international student community and experience Malaysia's multicultural environment. Such mobility programmes contribute to students' personal development, intercultural understanding, confidence and global outlook. INTI highlights international university exposure, cultural discovery, interaction with local and international peers, and educational and cultural activities among the key benefits of its mobility programme.

The successful completion of the Fall 2026 Semester Abroad Programme reflects Vinayaka Mission's continued commitment to **internationalisation, student mobility and global learning opportunities**. Through such initiatives, students are encouraged to step beyond the conventional classroom environment, experience different academic and cultural settings, and develop the skills and perspectives required to thrive in an increasingly interconnected world.

The programme also strengthens the academic engagement between **Vinayaka Mission and INTI International University, Malaysia**, creating opportunities for continued student mobility and international academic collaboration.

The Office of International Relations congratulates all participating students and acknowledges their enthusiastic participation in this international learning experience.
